

Providing
Solutions

to the Rail, Transit
and Graphic
Industries since 1966

Through the INPS Group of Companies our mission is to be your single source provider.

Whatever your requirements we have the solution.

Founded in 1966 with facilities through
North America and Mexico

Through strategic alignments with our
partner companies, we provide customized
products, component acquisition and
design services to a variety of clients
ranging from the largest industry players to
the smallest niche businesses.

Exterior Graphics and Installation

TRANSIT SOLUTIONS

Aftermarket Parts

Driven by rapid technological changes, the problem of obsolescence is most prevalent for electronics technology. Obsolescence, however, extends beyond electronic components to other items such as materials, textiles and mechanical parts. Natsco can help source and design parts that solve your obsolete part problems.
